Remarks

He is very well-organized and always helps students when they face any problem.

He is very helpful, cooperative, understanding, and transparent. Gives very good feedback. His teaching and assessment methods are also very good.

NO

The professor was well-organized and made the lectures easy to understand. He provided valuable feedback on our essays and presentations and answered all the questions raised in class. He is a kind, supportive and helpful professor.

I could not be more happy about taking this course with Professor Salton. He is well-prepared, highly organized, and extremely helpful to the students. He explains everything clearly and makes sure there are no unanswered questions in our minds.
