Remarks

The professor was well-organized and made the lectures easy to understand. He provided valuable feedback on our essays and presentations and answered all the questions raised in class.
This was my second course with Professor Herman and it is always such a great experience. He is so kind and knowledgeable and clearly has a passion towards educating young minds.
He was always well prepared in class and very helpful.
Professor Herman Salton, is a great instructor and determined personality. I believe that I have learned diplomacy concept very well, studying with Professor Salton. Because, he is very intelligent and I am really interested to get benefited from his knowledge in the future as well.
He is very supportive and friendly
I liked the way Professor gave updated example about the subjects.
He is very helpful, cooperative, understanding, and transparent. Gives very good feedback. His teaching and assessment methods are also very good.
He is a very good professor. This is my last semester, otherwise I could take his course again.
AUW is lucky that such a distinguished faculty is interested in teaching at AUW but AUW doesn't deserve him nor I think he is valued here properly. He is an amazing professor who actually knows his stuff and he shares his passion with his students.

I could not be more happy about taking this course with Professor Salton. He is well-prepared, highly organized, and extremely helpful to the students. He explains everything clearly and makes sure there are no unanswered questions in our minds. `

Professor is very knowledgeable and explains the material clearly. They are helpful when students have questions and always respond quickly. I enjoyed their class and learned a lot.
